

July 2022

Dear Friend,

We are excited about Rosary's 20th annual **Red, Wine & Gold** happening on **Saturday, January 14, 2023**. This event features amazing Napa Valley wines, craft beer, and delicious bites from Orange County's finest restaurants enjoyed by 500 guests. Proceeds from this night benefit current and prospective families in need of tuition assistance.

Each year we offer live and silent auction prizes to raise these much-needed funds and we would love your help! Would you be willing to donate a prize for our auction? Our mobile bidding format offers great exposure to a grateful audience!

Red Wine & Gold has raised over \$2,400,000 since its inception. Hundreds of Royals have walked the halls of Rosary because of the generosity of businesses and people like you! Rosary is committed to empowering the next generation of women leaders. Proceeds from this event also allow us to partner with **Girls Hope**, an organization that helps "academically motivated high school students rise above disadvantaged backgrounds and succeed in college and beyond." We strive to make a Rosary education accessible to all.

Please consider supporting our students. If you have any questions, or if you want more information about the event, please visit www.rosaryacademy.org/redwinegold. We sincerely appreciate your consideration to make a difference in the lives of our current and future students.

Sincerely,

Tracey Irving
Red Wine & Gold Auction Chair
